SUBJECT : **COVID-19 – Submission of documents for listing securities on the CSE**

DATE : 7 April 2020

CIRCULAR NO. : **12-2020, 07-2020**

Sirs,

As you already know, the Cyprus Stock Exchange has proceeded with the necessary actions in order to operate smoothly and be of service to all interested parties, with a large part of its staff working while distantly connected to its systems. In this way, the CSE operates in accordance with the Directions of the Ministry of Finance regarding the operation of the wider public sector.

Having as an aim to prevent the possible spread of COVID-19 and in the context of ensuring health and safety of all interested parties, the Stock Exchange would like to request from all listed companies (Regulated and Emerging Companies Markets) as well as their Nominated Advisors, to electronically send any applications relating to the listing of new or additional securities on the CSE. The documents accompanying the application should be signed, scanned and submitted for the Stock Exchange to examine the application. The originals will be submitted at a later stage once the already submitted documents are finalized and in any case prior to the commencement of trading of the additional or new securities.

The above procedure for the submission of scanned signed documents will also be followed at this stage by all companies wishing to be registered as Nominated Advisors on the CSE's Emerging Companies Market, those companies whose application for becoming Nominated Advisors is already under examination or for documents requested and expected to be submitted by existing Nominated Advisors.

Applications should be sent to info@cse.com.cy , c/o Market and Listing division with subject "Listing of New or Additional Securities" or "Nominated Advisor".

We thank you for your understanding and cooperation so far.
