

TO : Members – Custodians of the Cyprus Stock Exchange (CSE)
FROM : Acting General Manager of the Cyprus Stock Exchange
SUBJECT : Testing of 2023 Business Continuity Plan
DATE : 13 November, 2023
CIRC. NO. : 19-2023, 16-2023

Sirs,

The CSE will proceed with testing the Business Continuity Plan (BCP), which have been developed in order to support the smooth continuity of its critical business activities and, by extension, of its participants, in the case of a catastrophic event at the central facilities where the CSE's systems are located, through an alternative DR site, in cooperation with its service provider.

In order to provide Clearing and Settlement services, the CSE is required to annually test the proper functioning of its Information Infrastructures from the alternative DR site, in cooperation with its participants.

Therefore, please be advised that on Monday, November 20, 2023, the CSE's infrastructure will be operated from the alternative DR site, ensuring the success of the business continuity plan under actual operating conditions. As of Tuesday 21 November 2023, the CSE's infrastructure will operate again from the Primary site.

Thanking you for your cooperation.

Yours,

Nicos Trypatsas
Acting General Manager
